

VILLAGE OF HARVEYSBURG
STREETS AND BUILDINGS COMMITTEE MINUTES

APRIL 24, 2017

The meeting was called to order at 6:02 P.M. Roll call was taken with Mayor Verga, Doug Trimble, Steve Cochran, Phil Trovillo, and Leroy Sanders all present. A motion was made by Mr. Trovillo, seconded by Mayor Verga, to excuse Kevin Martin. All were in favor.

There were no guests and residents.

OLD BUSINESS

Mr. Trimble reported that the dumpsters have been ordered for May 19-June 2nd. The community garage sale will be May 20th and 21st. Warren Co was out to flush the sewer that ran from Grant to SR 73 because of the clog in front of 310 and 316 Grant St. There is an obstruction on the Grant side which they believe to be tree roots and the drain on SR 73 is only 8 inch and they couldn't get into the pipe far enough. Chemicals were suggested to be used to break up the tree roots and one application was already done.

Mr. Trimble received 3 estimates for the work on Ken and Loraine. They ranged from \$5615 to \$10,500. JK Muir also supplied an estimate for the corner of South and Grant for \$1635. Combined with the \$5615, both could be done for \$7250.

Mr. Trovillo stated the idler was fixed on the truck.

Mayor Verga has been trying to get either county or the state office to help with fixing the road by the pump station. He is waiting on a call back. The yard cleanup was put off for now due to rain.

NEW BUSINESS

Mr. Trovillo stated his grandson was given 15 hours of community service by the county and can help with mowing or trimming.

Mr. Trimble reported on the roof leaking by the men's restroom. There is also graffiti on the back of the building that he will have Joe and Jeff try to remove. The brick on the building is also deteriorating.

Mr. Cochran would like to have an agenda ready for the town hall meeting and also a list of projects and estimates to present to the citizens. He will bring it up in council.
